Honey Wall Sconce
By Maxim Lighting

## Description

Warm and subtly nostalgic, the Honey Wall Sconce draws inspiration from vintage honey jars and the familiar grooves of wooden dippers. Delicate ribbing on the clear glass shades plays with the light, creating gentle refractions that echo the soft sweetness of its namesake. The frame brings an inviting glow that suits both traditional and contemporary settings. Honey lends an effortless charm to vanities, powder rooms, or anywhere you want a little golden-hour warmth--any time of day. Can be mounted up or down.

Shown in natural aged brass / clear ribbed
