Jackson Hole Bath Vanity Light

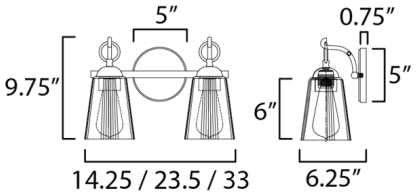

By Maxim Lighting

Description

Inspired by the rugged charm of the American West, the Jackson Hole Bath Vanity Light brings an elevated rustic sensibility to bath and vanity spaces. Tapered clear glass shades, subtly fluted with a vertical stripe detail, soften and refract light while reducing glare--adding a refined touch to their sculptural form. Each shade is anchored by a circular ring finial and gracefully suspended from an overhanging arm, evoking classic lantern motifs with a modern update. The result is a timeless design that bridges traditional character with relaxed, mountain-inspired style. Can be mounted facing up or down.
