Shaka Swing Arm Wall Sconce By Maxim Lighting

Description

With bold geometry and a globally inspired edge, the Shaka Swing Arm Wall Sconce makes a statement in simplicity. Each cylindrical drum shade is hand-finished in hammered metal, etched with an elongated oval pattern that adds visual rhythm and soft texture. The light casts downward in warm tones made even more distinct by your choice of finish. The collection brings a refined, sculptural element to modern interiors.

Shown in black and white
