Krabi Pendant

By Maxim Lighting

Description

Airy yet impactful, the Krabi Pendant brings sculptural movement and moody ambiance to any interior. Layers of black metal mesh form undulating rings that seem to float in place, tapering and expanding like a lantern in motion. When illuminated, the open-weave shade creates a dynamic play of light and shadow, casting intricate patterns across surrounding surfaces. Suspended from a simple chain, Krabi offers a dramatic silhouette with an unexpectedly delicate presence--perfect for powder rooms, bedrooms, or anywhere that calls for texture with a twist.
