Chamberlain Outdoor Wall Light

By Maxim Lighting

Description

Rugged yet refined, the Chamberlain Outdoor Wall Light pairs clean lines with a handcrafted feel. A thick glass cylinder, beautiful in its subtle imperfection, diffuses light with soft ripples and warmth. Dark Bronze strapping adds architectural structure, grounding the design while gently shielding glare. Finished in a weather-resistant powder coat, Chamberlain is made to elevate exteriors with understated elegance. Can be mounted up or down.

Shown in dark bronze
