Allegra Pendant

By Maxim Lighting

Description

With graceful repetition and bold geometry, the Allegra Pendant strikes a balance between softness and structure. Scalloped metal drum shades form rhythmic silhouettes that feel both architectural and graceful. Offered in a range of pendant sizes, Allegra adapts seamlessly to a variety of spaces. Two distinct finishes, weathered brass for a rich, aged patina and gunmetal for a moodier, modern edge--bring depth and dimension to this sculptural collection.

Shown in weathered brass

Specifications
