Aurelia Pendant By Maxim Lighting

Description

Rooted in ancient artistry and shaped for modern spaces, the Aurelia Pendant is a study in timeworn opulence. Each globe pendant is formed from etched metal with a soft, tactile finish that evokes handcrafted metalwork. The shade conceals the light source entirely, casting a gentle, ambient glow that radiates from within. A rayon cord adds a refined contrast. Offered in multiple sizes, Aurelia brings a timeless, sculptural presence to any interior. Triac or ELV dimming.
