Martel Oval Pendant

By Maxim Lighting

Description

Rooted in traditional European ironwork but reimagined for modern spaces, the Martel Oval Pendant elevates the classic lantern with hand-forged artistry and stripped-down elegance. A sculptural hammered iron frame arcs gracefully to define the open silhouette, while simple candelabra sockets and 90-degree hammered candle sleeves emphasize light, shadow, and raw materiality. With no glass or shades, the clean construction highlights the organic hand-hammered texture and allows the glow of candlelight to radiate freely.
