Martel Oval Pendant By Maxim Lighting

Description

Rooted in traditional European ironwork but reimagined for modern spaces, the Martel Oval Pendant elevates the classic lantern with handforged artistry and stripped-down elegance. A sculptural hammered iron frame arcs gracefully to define the open silhouette, while simple candelabra sockets and 90-degree hammered candle sleeves emphasize light, shadow, and raw materiality. With no glass or shades, the clean construction highlights the organic handhammered texture and allows the glow of candlelight to radiate freely.
