Finch Linear Pendant

By Maxim Lighting

Description

Architectural and effortlessly striking, the Finch Linear Pendant reimagines classic forms through a modern lens. Tapered cones of clear seedy glass are precision-cut on a diagonal slant, creating dynamic lines that shift with perspective. The framework is accented with subtle Antique Brass fasteners, grounding the design with a warm, tailored contrast. Finch brings visual movement and sculptural presence to transitional and contemporary spaces alike.

Shown in dark bronze / antique brass / clear seedy
