Swinger Outdoor Ceiling Spot Light

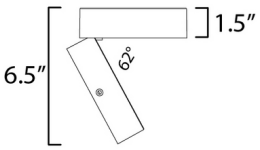

By Maxim Lighting

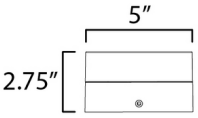

Description

The Swinger Outdoor Ceiling Spot Light is recessed within its cylindrical house, along with an extending arm transforms this surface mounted light fixture into an adjustable spotlight. Simply unthread the top half along the seam to extend the frame length and swing the fixture into position. Twist the lens on the face of this fixture to adjust its beam angle spread. Available in Black and White and two apertures that include a mud-in ring for an even cleaner installation.

Shown in black
