Storm Chaser Color-Select Pendant

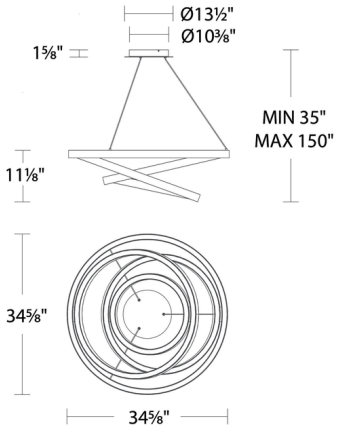

By Modern Forms

Description

The contemporary Storm Chaser Pendant is a breathtaking masterpiece of modern design. Stacked metal rings twist and turn in mid-air, creating the illusion of a swirling cyclone. This piece provides both down and up light, making it perfect for spaces that need bright, ample illumination. This sconce comes pre-set to the color temperature ordered and can be adjusted to 2700K, 3000K, 3500K, or 4000K using a switch in the canopy. It is dimmable with a TRIAC, ELV, or 0-10V dimmer.

Shown in black / white
