Pirouette Color-Select Wall Light

By Modern Forms

Description

Evoking the elegance of a ballerina in mid-turn, the Pirouette Wall Light gracefully twists and twirls to create its elegant shape. The beautifully textured metal is diagonally cut at the ends for a dynamic touch, and creates a wall wash above and below when illuminated. This sconce comes pre-set to the color temperature ordered and can be adjusted to 2700K, 3000K, 3500K, or 4000K using a switch in the canopy. It is dimmable with a TRIAC or ELV dimmer.

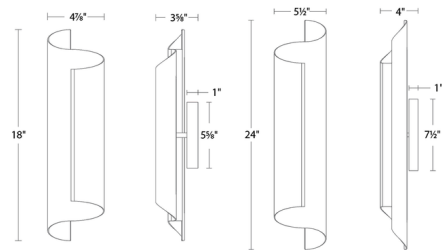

Shown in brushed nickel
