TruTrack 1-Circuit Recessed Track 24VDC Easy Kit

By PureEdge Lighting

Description

TruTrack is a recessed 24VDC single circuit easy kit track that is only as thick as the 5/8 inch drywall, eliminating the concern of hitting studs. Constructed of extruded aluminum in power coat finish. For a complete and clean architectural look, a paintable slot cover is included with TruTrack so only the track head will be visible once installed. Available in 2 foot lengths from 2 to 30 feet. Kit includes power feed (center or end), track (includes straight connector), track slot cover, and end cap(s). Required power supply and heads sold separately.Designed for use with a 24VDC Universal power supply up to 40 feet away. Universal power supply dimmable with TRIAC electronic low voltage (ELV) or 0-10V, sold separately.
