Fin Crystal Table Lamp

By Regina Andrew

Description

The Fin Crystal Table Lamp is inspired by a vintage art piece. A graphic figure for an elevated coastal-modern vibe. The clear sculptural fin invites light to reflect from the rectangular linen shade and flow through your space with a nod to the deep blue sea. Dimmer switch is located on the lamp socket. Note: This item is French Wired. The electrical cord exits the lamp from the socket, directly to the bulb holder, rather than through the lamp base.
