Symon Wood Table Lamp

By Regina Andrew

Description

The Symon Wood Table Lamp draws inspiration from the global Tramp Art movement, where artists turned reclaimed wood into imaginative, rule-breaking forms. Crafted from sustainable Acacia wood, this modern interpretation celebrates that spirit of creativity. Finished in a deep ebony tone, it's a bold, artful statement that dares to defy convention. Three-way cast turn knob is located on the body.

Shown in black / natural linen

Specifications
