Wave Crystal Table Lamp

By Regina Andrew

Description

The Wave Crystal Table Lamp is inspired by a vintage sculpture. This accessory carries an elevated coastal-modern vibe into your space. The clear crest is designed to reflect light off the rectangular linen shade. Evocative of a sparkling sea, cool polished nickel accents complete this eye-catching piece. Dimmer switch is located on the lamp socket. Note: This item is French Wired. The electrical cord exits the lamp from the socket, directly to the bulb holder, rather than through the lamp base.
