Clare Adjustable Hardwired / Plug-in Wall Light

By Robert Abbey

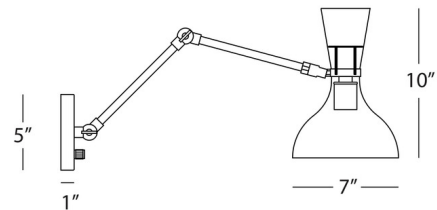

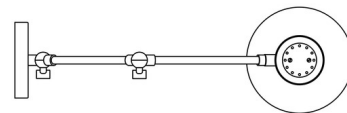

Description

The Clare Adjustable Hardwired / Plug-in Wall Light brings a timeless midcentury modern look to your interior space. The elegant dome shade is complemented with a solid matching or contrasting top color to give your room a dramatic statement piece. With dual, adjustable arms, warm shadows of light are cast right where you need it. Full Range dimmer switch is located on the backplate. Depth adjusts from 15.5 inches to 28 inches. May be used with the included cord with plug and cord covers as a Plug-in option or Hardwired directly to your wall.
