MicroTrack Ceiling Mount 48V Channel By PureEdge Lighting

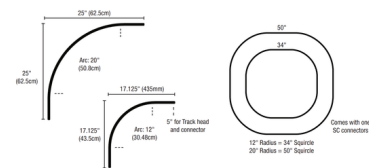

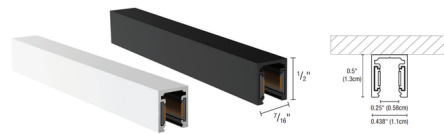

Description

The MicroTrack 48V Single Circuit Surface Mount System mounts directly to drywall ceilings, offering precision-engineered flexibility that allows it to seamlessly curve and turn along ceilings and walls. Available in 4 and 8 foot straight options and curved with 12 and 20 degree radius. Channel features an extruded aluminum channel with 12 gauge bus bar to help eliminate voltage drop. NOTE: Requires a 48VDC remote power supply and an end feed or center feed, sold separately. Track heads and components sold separately. Includes end caps, a straight connector, and paintable opaque slot cover to conceal conductive connectors and track slots, blending seamlessly with the fixture. NOTE: Curved track not compatible with slot cover.
