Larmes Square Suspension - Floor Model

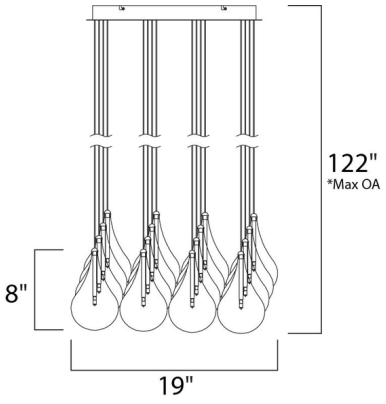

By Et2

Description

A simple idea gracefully executed in the Larmes Square Suspension. Row upon row of Clear oversized teardrops, mounted onto an extended Polished Chrome lamp holder that supports xenon lamps, sets the stage. Individually adjustable drops for custom stagger effects allow for dramatic impact. An added benefit of each drop being aircraft cable-suspended, is the ability to adjust the overall height of the piece to fit the space. The final result is stark and stunning.
