Girare Wall / Ceiling Light

By Allegri

Description

Drawing inspiration from the sun and its radiant solar flares, the Girare Wall Sconce features luminous rings and a halo effect cast by LED lights onto the walls. The intricately cut crystals highlight exquisite jewelry-like details, complemented by an extra thick hammered brass plate finished in 18K gold. Rich in texture and low-profile design, this ADA-compliant sconce can also serve as a ceiling flush mount.
