Renata Acoustic Pendant By Bruck

Description

The Renata Acoustic Pendant is a sculptural lighting piece that enhances your interior with both beauty and function. Crafted from curved wood veneer segments joined around a central frame, it casts warm, organic shadows throughout the room. The interior is lined with acoustic felt made from 80% wool and viscose biodegradable, OEKO-TEX Standard 100 certified, and ISO 9001 compliant, ensuring it's free from harmful substances while offering sounddampening performance. Acoustical testing at a NVLAP Lab per ASTM C423 and ASTM E795 standardsBruck's WEP (Wood Ecological Project) collection specializes in sustainable, natural wood luminaires. Every made to order fixture's unique character is northing short of art. WEPlight solutions help cultivate a serene environment in any space. Designed, handcrafted, and painted by master artisans with reconstructed real wood veneer and assembled in the USA.
