Revolve 12V Path Light

By Hinkley Lighting

Description

Featuring a 360 degree beam spread for maximum illumination from the bottom of the half aluminum, half clear seedy glass globe, the Revolve 12V Path Light adds an effortless flair to outdoor living spaces and pathways. The orb-shaped fixture is suspended from a slender, 90 degree post to create sophisticated curb appeal while adding safety and security to your home. Includes a long-lasting LED bulb and can easily be combined with additional low voltage path lights. A wiring kit and ground spike are supplied. Note: Required 12V transformer sold separately.
