Pillar Outdoor Wall Sconce

By Kalco

Description

Drawing inspiration from Roman columns and intricately carved slate, the Pillar outdoor LED wall sconce presents a sleek and elegant design that sits flush against the wall. Meticulously crafted from Aluminum and genuine marble, this fixture incorporates four LED downlights, each equipped with honeycomb louvers to minimize glare by directing the light downward. The sconce is completed with a durable Bronze outdoor finish, ensuring it withstands even the harshest conditions.
