Midway Pendant

By Kalco

Description

Welcome to Midway, a seamless blend of contemporary design and artistic sophistication. Drawing inspiration from the dance of light and shadow, this fixture showcases intricately cut metal panels arranged in an offset pattern, allowing light to softly filter through. The juxtaposition of the metal's sharp precision with the gentle allure of a white linen shade creates a stunning visual balance. Finished in a hand-painted brushed gold, Midway is the ideal piece to infuse any space with modern elegance.
