Spat Ceiling Light

By Kalco

Description

Drawing inspiration from the organic allure of oyster shells, the Spat Ceiling Light boasts an irregular natural edge and a shimmering capiz shell interior. Its innovative and replaceable driverless LED technology casts indirect light that reflects off the shells, creating a radiant ambiance. Finished in an elegant Pearlized Antique Brass, this lighting ensemble is crafted from high-quality, responsibly sourced, and sustainable natural materials.

Shown in pearlized antique brass / capiz
