Manta Pendant / Semi Flush Ceiling Light

By Kalco

Description

The Manta Pendant / Semi Flush Ceiling Mount earns its name from the uniquely Manta Ray inspired shaped bone china. Each layer of these pieces allows light to filter through, creating a captivating visual overlap. The structure features a steel ring frame adorned with deep, wavy arches that gracefully dip between each threaded stud, where the rays are suspended and secured by a decorative ball detail. Completing the sophisticated look is the Modern Gold frame and hardware. Can be mounted as a semi flush ceiling or pendant light.
