Manta Pendant

By Kalco

Description

The Manta Pendant earns its name from the uniquely Manta Ray inspired shaped bone china. Each layer of these pieces allows light to filter through, creating a captivating visual overlap. The structure features a steel ring frame adorned with deep, wavy arches that gracefully dip between each threaded stud, where the rays are suspended and secured by a decorative ball detail. Completing the sophisticated look is the Modern Gold frame and hardware.

Shown in modern gold / white

Specifications
