## Bozu S3 Linear Pendant

By Masiero

### Description

Inspired by ancient Buddhist ceremonial bells, the Bozu S3 Linear Pendant emanates the warmth of a suspended time. The lamp bodies are formed of a softly glowing globe, seated on a black and gold bell-shaped base. The base provides a second light source, adding extra illumination for a task surface below. Adjust the hanging locations of the three pendants by lifting them and moving them along the main bar.

Shown in black / golden copper
