Ophelia Ceiling Fan with Color-Select Light

By Quorum

Description

The Ophelia Ceiling Fan is the perfect introduction for Tamara Day Fans, embodying her signature style with a decorative touch. Brushed brass detailing accentuates the round frame, adding warmth and sophistication. The fan's scalloped body echoes Tamara's iconic clover charm, while a case-light scalloped dome softens the glow from the integrated light. For added versatility, a brushed brass plate is included for those who prefer a sleek, non-lit option. Wall Control and Light Kit Included.Note: Built in color temperature adjustability. Switch from 2700K/3000K/4000K/5000K/6500K.

Shown in brass / white / studio white
