Mariposa Bathroom Vanity Light

By Quorum

DAMP

Description

The Mariposa Bathroom Vanity Light is embellished with a repeating geometric floral pattern of matte black metal petals. These pieces contrast beautifully with aged brass frames. Exposed lamps enhance the collection's artful aesthetic and allow the light to interact with the decorative pattern, casting intricate shadows and creating a dynamic lighting effect. The overall design of the series, with its blend of shapely patterns and elegant finishes, makes it a perfect focal point for spaces such as dining rooms, living rooms, or entryways.
