DAMP

Description

The Sojourn Series combines confident transitional design with subtle nods to the past. Featuring candle-like white milky glass pillars bisected by a modern bobeche, this fixture balances contemporary lines with a touch of nostalgia reminiscent of early gas fixtures. The Sojourn Series brings timeless elegance and versatility to modern and transitional spaces alike. Let the Sojourn Series transform your next project with its exceptional wall mounts, vanities, and chandeliers, each crafted to bring refined character to any space.
