Moritz Pendant

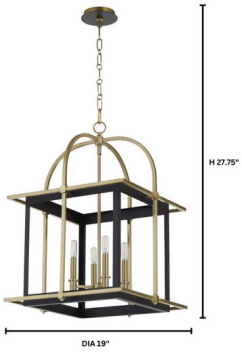

By Quorum

Description

This Moritz lantern's design blends modern and traditional elements through a series of clean, angular lines accentuated by delicate, curved arches at the top. The combination of straight and curved lines creates a visually appealing and balanced look with a luxurious combination of aged brass and matte black finishes. The cubical frame supports the geometric aesthetic of the fixture, while four exposed candelabra sockets ensure ample illumination. Add a cohesive and polished look while creating a warm and inviting atmosphere with the Moritz lantern. Use in entryways, dining rooms, or living areas where a statement lighting fixture is desired.
