Tiffany Pendant

DAMP

Description

The Tiffany lantern has a distinctive shape, formed by a gracefully curved fluted frame finished in a combination of aged brass and white. The decorative design features four gently arching supports that converge at the top, forming an elegant canopy. Within the open frame, there are four candelabra sockets mounted on aged brass sleeves. The lamps are exposed, providing ample light and contributing to the chandelier's transitional aesthetic. This inspired design is airy and intricate, adding a posh touch without overwhelming a space.
