Belleview Pendant

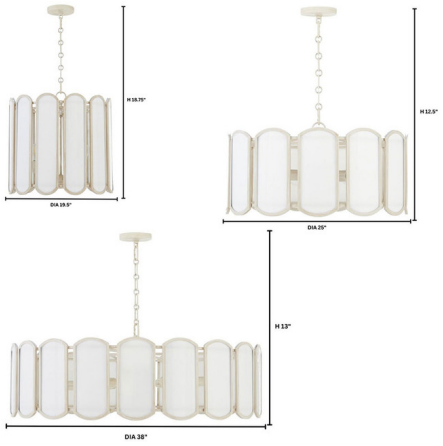

By Quorum

Description

The Belleview pendant lighting from the Tamara Day for Quorum collection radiates panache through rectangular Tiffany glass panels. The stylish Tiffany glass paneled shade is a cluster of medium-base sockets extending from individual arms that connect to the center rod. A decorative finial with Tamara's trademark clover design provides an extra layer of care and detail alongside a rectangle link chain. Include the Belleview pendant in your next home design.

Shown in washed oak / white
