Warwick Color-Select Picture Light

By Quorum

Description

Shed light on your favorite artwork or photograph with the Warwick Color-Select Picture Light. Featuring a combination of cylindrical and rectangular profiles, this fixture emits a diffused glow from CCT LED arrays through frosted acrylic. The lighted bar is mounted on a slim, adjustable arm connected to a rectangular backplate. The combination of clean lines and a matte black or aged brass finish creates a sophisticated and unobtrusive lighting solution. Include the Warwick picture light vanity in your next home design. Supplied with 8 inch cord and plug with on/off line switch. Equipped with a three-way color temperature switch (3000K/3500K/4000K), this fixture allows you to easily customize the brightness to your desired setting, ensuring the perfect ambiance for any occasion.
