Gaia Plug In Pendant

By Tala

Description

The Gaia Plug In Pendant features a minimalist aesthetic with a metal socket paired with the globe-shaped Gaia Bulb by Tala. The included bulb recalls the look of vintage bulbs with its exposed filaments and iron-tinted glass, but it offers the long lifetime, energy efficiency, and high-quality illumination of LED technology. This easy-to-install, plug-in pendant includes wall / ceiling cable anchors and a full-range dimmer switch.
