Lochan Wall Sconce with Bulb

By Tala

Description

The Lochan Wall Sconce brings a clean, simple look to your interior space. The minimalist metal socket is paired with one of Tala's unique LED bulbs. The Voronoi I bulb features an irregular shape and vintage-inspired, exposed filament with a warm color temperature. The Sphere bulb is made of Matte White glass and features Warm Dim technology, which causes the color temperature to warm from 2800K to 2000K as the bulb is dimmed.
