Voronoi I Plug-In Pendant

By Tala

Description

The Voronoi I Plug-In Pendant features a unique look with a metal socket paired with the Voronoi I LED Bulb by Tala. The bulb's irregular, organic shape is inspired by the naturally occurring Voronoi pattern seen in giraffes' coats or certain cell structures. A spiraling LED filament, inspired by the Fibonacci sequence, and iron-tinted glass create a warm, amber glow that will enhance any interior. This easy-to-install, plug-in pendant includes wall / ceiling cable anchors and a full-range dimmer switch.

Shown in brass / clear tinted
