Voronoi III Plug-In Pendant

By Tala

Description

The Voronoi III Plug-In Pendant features a unique look with a metal socket paired with the Voronoi III LED Bulb by Tala. The bulb's irregular, organic shape is inspired by the Voronoi pattern seen in nature in giraffes' coats or certain cell structures. A spiraling LED filament, inspired by the Fibonacci sequence, and iron-tinted glass create a warm, amber glow that will enhance any interior. This easy-to-install, plug-in pendant includes wall / ceiling cable anchors and a full-range dimmer switch.

Shown in brass / clear tinted
