## Linfa Linear Chandelier

By Tooy

### Description

The Linfa Linear Pendant was inspired by the natural world with an array of conical glass shades dotting its spiraling metal frame like flowers on a stem. The shades, in a variety of smoky and transparent finishes or milky white Murano glass colors, face upwards and downwards to provide ambient illumination from their integrated LED light sources. Part light fixture and part sculptural object, the Linfa is sure to enhance any room's decor. LED Driver onboard. Phase cut dimming. Includes a 23.6 and 35.4 inch downrod.
