Linfa Vertical Pendant

CE

Description

The Linfa Vertical Pendant was inspired by the natural world with an array of conical glass shades dotting its spiraling metal frame like flowers on a stem. The shades, in a variety of Murano glass colors, face upwards and downwards to provide ambient illumination from their integrated LED light sources. Part light fixture and part sculptural object, Linfa is sure to enhance any room's decor. ELV (phase cut) dimmable.

Shown in titanium / clear / white / smoke
