Linfa Twist Wall / Ceiling Light

By Tooy

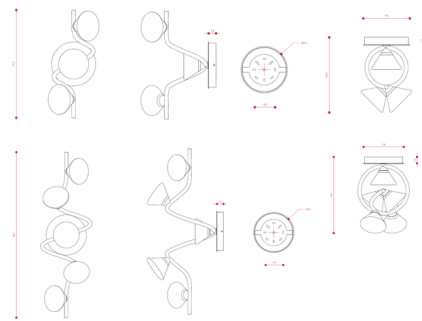

Description

The Linfa Wall / Ceiling Light was inspired by the natural world with an array of conical glass shades dotting its spiraling metal frame like flowers on a stem. The shades, in a variety of Murano glass colors, face upwards and downwards to provide ambient illumination from their integrated LED light sources. Part light fixture and part sculptural object, the Linfa is sure to enhance any room's decor. LED Driver onboard. Phase cut dimming.
