Osman Chandelier

By Tooy

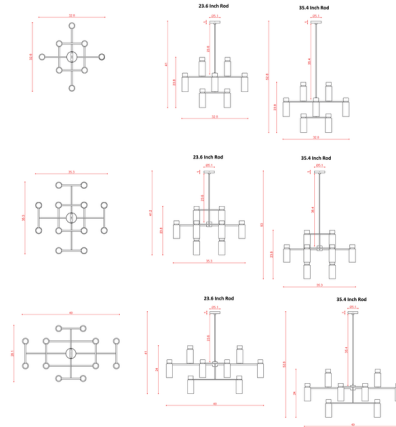

Description

The Osman Chandelier balances a strong avantgarde style through its rational design and precious details. An orthogonal structure finished in Matte Black is enriched by a collection of Smoked Glass double-wall cylindrical diffusers that give a fascinating and harmonious light diffusion. Place the Osman wherever a formal, familiar and refined aesthetic is needed. Note: Includes canopy for U.S. junction box and (1) 23.6 inch, and (1) 35.4 inch downrod--downrods can be used individually, but cannot be connected.
