Colestin Table Lamp

By Uttermost

Description

Bright and vibrant, the Colestin Table Lamp is the perfect pop of color for a living room or den. The ceramic body is finished in a glossy green drip glaze and paired with brushed brass base for a classic touch. The white linen hardback shade provides soft, even illumination. Due to the nature of fired glazes on ceramic lamps, finishes will vary slightly. 3-Way switch on the socket.

Shown in green / white
