Super O Portable Spot Wall Light

By Zafferano America

Description

The Super O Spot Wall Light brings a clean, portable look to your interior space. The puck style head offers abundant light, right where you need it. Induction charging base included. Step dimming from 100 to 60 to 30 to 6 percent, with button on the base. Color temperatures are 2700/3150/4000K. Battery lasts approximately 11 hours at full charge. Charging time approximately 5 hours. To recharge, plug the provided charging base into an outlet and place the module (lamp head) on the base. A full charge takes around 5 hours. The module should be removed from the charging base when the battery is fully charged.
