## Damina Pro Rechargeable Table Lamp By Zafferano America

### Description

The Damina Pro Rechargeable Table Lamp brings a clean simplicity to your space. The unique shaped piece casts light just where you need it. This die-cast LED lamp with polycarbonate diffuser can be used indoors or outdoors. Has an On/Off dimming touch control with 3 color temperature selections: 2200K (Candlelight), 2700K (Warm White), and 3000K (Cool White). Contact induction charging base included. approximately 8 hours of illumination. It is important to fully charge the battery before using it. Flashing red means battery is below 20 percent. When charge is at 1 percent, the lamp will not switch on, but emits three white warning flashes to recharge. Solid red means charging is in progress. Green light means battery is at 100 percent.
