Belluno Chandelier By Corbett Lighting

Description

Airy and textural, the Belluno Chandelier's tiered composition pairs sculptural volume with a lightness of material. Made from pleated white paper, each layer brings a soft sense of translucency and movement. The finish on the chain, ceiling canopy, and lower cap adds an elegant contrast to the crisp white folds. Belluno sets a soft ambience as light shines through its paper construction. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
