Lazio Wall Sconce

By Corbett Lighting

Description

Otherworldly and expressive, the Lazio Wall Sconce delivers a dramatic wash of light through its serpentine curves. Like a character from an imaginary language, the form makes two fluid, abstract swoops away from the wall. Finished in Vintage Gold Leaf, Lazio can be mounted left, right, or horizontally depending on your preference.Note: Fixture does not cover a standard US junction box and requires a 2 x 3 inch gem box.

Shown in vintage gold leaf
