## Bromo Wall Sconce By Corbett Lighting

### Description

Organic shaping, specialty glass, and a subtle peek of metal combine to form the enigmatic Bromo Wall Sconce. Made from clear Blonchino glass, the tubular shade swirls with wispy white tendrils that evoke the natural movement of smoke. From within the shade, glimpses of the Vintage Brass finish on the hardware shine through like a hidden treasure, adding an artful glint to this wall light.

Shown in vintage brass

### Specifications
